In English, I scored in the nineties in both x & xii. It was an enriching experience while being taught by Rajeev sir. He teaches by heart I believe.

2 Advita Luthra (CBSE X)

English was at 95+ in my final board exams. All credit goes to Rajeev sir. He made me work hard, especially through tests & practice. Had I not joined his classes, I'd not have got this much perhaps.

3 Shaurya Marwah (CBSE X)

Heartfelt thanks to Rajeev sir for all his hard work over me. I'd not thought of a score above 90 but I got it finally. Sir's consistency helped me a lot in achieving this distinction.

4 Aradhya (CBSE X)

English was not my favourite subject as such until I joined Rajeev Sir's classes but after I'd, it became one & steadily I kept scoring near perfect score. Rajeev sir takes care of all the areas simultaneously.

5 Aarush Gupta (CBSE X)

Rajeev sir has a very jolly nature & it's been my fortune to be one of his students. My score in English was above 90 just because of the skills that Sir taught me chiefly of presentation in the language paper.

6 Subhasees Singh (CBSE X)

I've not been a very studious student but just because of the tricks that Sir taught me I could get 88 marks in English. Otherwise it was not possible.

7 Amanpreet Singh (CBSE X & XII)

It's really a matter of fortune that I got Rajeev sir in both of my board classes for English. I scored well both the times but I must say that without Sir's regular guidance I couldn't have done this.

8 Pranav Sharma (CBSE X & XII)

All thanks to Rajeev sir for working over me. Had he not been there, I'd not have been able to get distinctions in English in my board classes. Your regular tests & checking helped me a lot sir.

9 Twinkle Khanna (CBSE XII)

I've never been an extrovert student but Sir's classes gave me confidence not only in the subject but also in my personality. What an English Sir taught me when I went to London for my higher studies!

10 Anushka Sharma (CBSE X & XII)

Those two years I can never forget in my life...studying English thoroughly had become fun. Regular practice & tests were the key for me to do well in English. Thank you Rajeev sir!
